

When you participate as a member, but neither an owner, not a client.

The main task of the **BITCLUB 5** is to help the members to build a financial network safely and long.

1. CREATING A PRIVATE BITCOIN WALLET

2. REGISTERING AS A BTCCLUB MEMBER:

Click the 'registration' press and then fill your personal information to register

3. BUYING TOKEN (Considered as the registering fee): 1 token is equivalent to 0.01 bits (1 token = 0.01 bits)

4. TRANSFERRING THE 'BIT' TO YOUR WALLET IN THE SYSTEM (Each member participated will be given 1 private wallet created by the **BLOCK CHAIN** in the page)

DEPOSIT

Login into the 'PH', and then click the 'Create PH' to decide the level/degree you would like to choose (there have been 6-different options available for you).

Basic	(from 0.1 to 0.9 BTC)	1 token
Standard	(from 1 to 3 bits)	2 token
Pro	(from 4 to 5 bits)	3 token
VIP	(from 6 to 7 BTC)	4 token
PLUS	(from 8 to 10 bits)	5 token
Special	(from 11 to 15 bits)	6 token

The net interest of 1-day participation of PH is 0.5%.

The PH-circle is completed after 30 days since your PH debut, right after your PH-circle completed, your bits will be transferred to the 'WITHDRAW' status.

The maximum amount of bits for each PH is 25

Withdraw + the amount of GH= 50% of total PH+net interest (rewards generated from F1 and bonus derived from Fn if any).

It means that 50% of the amount of your previous PH will be stored for the next PH.

REWARD

Direct reward (for each of person participated
in the system due to your direct invitation)
(referral) F1: 10%

INCOME FORM THE SYSTEM

- BC 1: for those who have successfully and directly invited 6 others (called as 6 F1 for short) to participate in this: (0.5%).
- BC 2: is the BC 1 and have 3 BC 1 (0.7%)
- BC 3: is the BC 2 and have 3 BC 2 (0.8%)
- BC 4: is the BC 3 and have 3 BC 3 (0.9%)
- BC 5: is the BC 4 and have 3 BC 4 (1%)

RETURN

If you do not make the GH (to withdraw your bitcoin), you are able to make new PH and receive 1%/day
